YOUTH DAY

The turn out for Youth Day wasn't what we'd hoped but no one left without commenting on how much they'd enjoyed it. Shooting handguns, rifles, shotguns, paintballs and archery was both fun and educational, but the stars of the show were Championship Retrievers Max & Woody. Their owners, Bill & Chris Davis, put them through their paces in the pond. It was amazing. If you missed them you can catch them on one of the outdoor channels! Bill even signed up several kids to go hunting with himself,

Max & Woody!

Thanks to everyone who contributed!

Hand Gun Practice

Whether you're experienced or not, if you've been contemplating some hand gun practice then the Monday night practice sessions might interest you. Range Safety Officer Bill Wasserbeck can help even the novice get on the paper. At a recent practice there was some 'tactical' interest. The shooters moved to the outdoor range and Bill did some tactical instruction. There is normally only a handful of shooters, there's plenty of time to ask questions and practice. Whatever the reason you attend the practice, I guarantee you'll leave with more knowledge than you came with.

CLUB & NRA MEMBERSHIPS

While the amount has yet to be determined, Club Membership Dues will increase the first of the year. The Current Membership fees do not cover the Club's insurance costs, not to mention property taxes, utilities and maintenance. If your Membership is expiring soon you may want to renew ahead of time. Consider a Membership as a Christmas present!

NRA Annual Memberships are normally \$35. You can save \$10 by purchasing or renewing NRA Annual Memberships through the Club and the Club earns a commission for it! All other terms (2, 3, 5 yr etc.) are regular price through the Club, but we still get a commission!

GORDON FOOD SERVICE

Chances are you've shopped at GFS. When the cashier asks "Is this for a business or organization?" do you say 'No'? Now you can say 'Yes!'. The Club has an account with them now which means we get a rebate if there have been purchases totaling \$500 or more during the course of one year. The rebate is a percentage based on the total purchases. While it may be a small amount, it is one way to contribute to the Club! If you are buying something to donate for an event (i.e. the Gun Show) then shopping at GFS would be an added bonus.

400 YD RANGE

Work on the new range continues. There has now been about 100' X 100' of trees cleared for the new range. Weather will be a big factor in progress. Plans include a sheltered concrete pad with a minimum of 10 benches. Trees taken from the site will provide material for the shelter house. We'll keep you updated!
