## YOUTH DAY

The turn out for Youth Day wasn't what we'd hoped but no one left without commenting on how much they'd enjoyed it. Shooting handguns, rifles, shotguns, paintballs and archery was fun, but the stars of the show were Championship Retrievers Max & Woody. Their owners, Bill & Chris Davis, put them through their paces in the pond. It was amazing. If you missed them you can catch them on one of the outdoor channels! Bill even signed up several kids to go hunting with himself, Max & Woody! Thanks to everyone who contributed!

## Hand Gun Practice

Whether you're experienced or not, if you've been contemplating some hand gun practice the Monday night practice sessions may be just what you need. Bill Wasserbeck, the Range Safety Officer can help even the novice get on the paper. At a recent practice there was some 'tactical' interest. The shooters moved to the outdoor range and Bill did some tactical instruction. There is normally only a handful of shooters, there's plenty of time to ask questions and practice. Whatever the reason you attend the practice, I guarantee you'll leave with more knowledge than you came with.

## MEMBERSHIPS
