HUNTER'S ED CLASS

Whether you're thinking of taking your kids or grandkids hunting, or you're a first timer yourself, this class is a must. It's entertaining as well as informative. Mike & Patti put on an excellent 'show' that's keeps even kids interested. No one has ever left without a certificate, they make sure everyone knows their stuff! Saturday & Sunday, August 25th & 26th, the 2-day class runs from noon to 6pm. It's FREE and open to all ages. Snacks will be available or you may bring something. To register or find out more contact Mike or Patti Criswell.

CLUB HOUSE REPAIRS

August 18th 8:00 AM – HELP! We hope to accomplish the following:

- Replace the rest of the windows on the west side of the building.
- Replace 2 toilets.
- Paint one least one bathroom.

Those of us doing the work are members, just like you. Hopefully there are enough of you who care enough about the club to help get these repairs done. We know many of you aren't capable of doing the actual work, but your moral support and input would be greatly appreciated! Lunch will be provided by the club. 740-361-7281

YOUTH DAY SEPTEMBER 15TH

Once again the Heart of Ohio Strutters chapter of the National Wild Turkey Federation is co-sponsoring Youth Day. Kids will have the opportunity to shoot Pistol, Rifle, Shotgun & Archery. Trooper Roy will be back for a drug search demonstration. He's German, only speaks German and though he slightly resembles a German Sheppard, he's not! He'll show his stuff right after lunch. We're also excited that the retrievers will be back! If you saw them last year we know you'll want to see what they do this year. If you missed it, well, all we can say is... if you had a dog you could only DREAM that it was this smart! They will be at the pond at least once during the day; a time has not been set.

Registration is free for everyone (you don't have to be a kid to attend) and begins at 8:00am. Waivers must be signed to participate, please do not drop off youth without signing a waiver. We'll start with a Fishing Derby 8:30 - 9:30 and a free lunch will be served to all attending from 11:30 to 12:00. The 3D Archery course will run from 9 until 2, all other hands on activities will begin after the Fishing Derby and run until 4:00. Times are approximate and subject to change. There will be door prizes for kids.

Many kids don't have the opportunity to experience these activities. We challenge you to bring a child! It may sound corny but it could be a life changing experience for them. Outdoor shooting sports involve many things, things that require skill, respect, self discipline, self confidence, safety and good sportsmanship to name a few. All of these things can be applied to life itself!

As always, we need help for the event.... Passing out flyers, registration, food donations, serving lunch, door prizes, lots of people to just keep an eye out and keep it safe! Call Patti or Linda.
